HAROLD D. STEVENSON, *Secretary*

How To Buy Nursery Stock

As anyone who has set out to purchase trees, evergreens, shrubs, roses, etc., can testify, this may seem quite confusing at the outset. The first problem facing the average home-owner is to select the plants most suited to his individual needs from the hundreds of items listed in the usual nursery catalog. The easiest way to secure such advice is to talk to your local Landscape Nurseryman, who is well qualified to guide you.

At Bay State Nurseries, we have Landscape Architects to assist you in designing your home grounds so that it will serve your needs with a maximum of beauty and a minimum of maintenance. If you wish, we also have a large staff of skilled landscape supervisors and experienced workmen to carry your planting program to a successful conclusion. Therefore, this problem of obtaining reliable, competent landscape advice can be solved by calling the Bay State Nurseries.

Some Factors Affecting Prices

What affects the price of nursery-stock? Knowing the answer to this will enable you to shop wisely and to your greater satisfaction. You have doubtless noticed that most plants are described by height, spread or age alone. Were these the only factors to be considered, the purchase of plants would be much simpler. However, any prices based on these alone can be very misleading. Any such description usually gives no hint as to other vital aspects, viz:

1. Is the material nursery-grown or collected from the woods?
2. Root System: periodic nursery transplanting assures sturdy, healthy, active root system. Some growers neglect this important phase.
3. Insects and diseases: is the plant healthy and strong? Not all diseases are easily visible.
4. Body and fullness: is the plant well-developed or straggly and open?
5. Handling and care: is it freshly dug and vigorous, or has it been out of the ground for many days. Plants out of the ground are like fish out of water — the shorter time, the better.

For many of the above points you are entirely dependent on the ability, experience, integrity and honesty of the concern with which you are dealing. In all frankness, we know that Bay State Nurseries can guarantee your complete satisfaction.

Budget Your Landscape Work

Should you so desire, arrangements can be made to budget the cost of your landscape work. Or do the work by sections. *But do it right the first time.*

Call Rockland 26 for guaranteed landscape results.

Evergreens

Japanese Black Pines

YEAR-ROUND BEAUTY - CONTINUOUS DISPLAY

FOUNDATIONS - HEDGES - WINDBREAKS

SPECIMENS - SCREENS

*Evergreens are normally dug, balled and burlapped
without extra charge.*

ABIES	Size	Each	Per 10
concolor			White Fir
Most beautiful of the North American Firs.	2 to 3 ft.	7.00	
Dark green needles tinged with silvery-blue.	3 to 4 ft.	9.00	
Rapid grower.	4 to 5 ft.	12.00	
veitchi			Veitch Fir
Rapid-growing, dark green tree to 60 feet.	2 to 3 ft.	6.00	
Screen and specimen use.	3 to 4 ft.	7.50	
	4 to 5 ft.	10.00	
CHAMAECYPARIS			
obtusa gracilis			Hinoki Cypress
A dwarf, slow-growing, upright evergreen for foundation plantings and garden accents. Unusual and attractive branching habit.	15 to 18 in.	5.00	

Add 10% of entire order to help defray packing cost.

pisifera

Medium to dark green needles in loose, graceful sprays. For corners or screen planting.

Size	Each	Per 10
Sawara Falsecypress		
3 to 4 ft.	6.50	60.00
4 to 5 ft.	7.50	70.00
5 to 6 ft.	10.00	

pisifera filifera

Thread-like branchlets medium to dark green. Slow growing; excellent for foundations.

Thread Falsecypress		
2 to 2½ ft.	5.50	50.00
2½ to 3 ft.	7.00	65.00
3 to 4 ft.	10.00	95.00

plumosa

Used in foundation plantings. Foliage a soft, feathery, light green.

Plume Falsecypress		
18 to 24 in.	3.50	33.00
2 to 3 ft.	6.00	55.00
3 to 4 ft.	8.00	75.00
4 to 5 ft.	10.00	95.00

plumosa aurea

Rich golden yellow foliage. Attractive accent in foundation planting. Slow growing.

Goldplume Falsecypress		
15 to 18 in.	3.50	33.00
18 to 24 in.	4.00	36.00
2 to 3 ft.	6.00	55.00
3 to 4 ft.	8.00	75.00
4 to 5 ft.	10.00	95.00

JUNIPERUS**chinensis hetzi**

Striking blue overtones make this indispensable for low accents in foundation planting, rock gardens and on slopes. Semi-erect, arching branches on hardy, compact plant.

Hetz Blue Juniper		
18 to 24 in.	6.00	55.00
2 to 2½ ft.	8.00	75.00
2½ to 3 ft.	10.00	95.00

ch. pfitzeriana

Low, spreading, fan-shaped gray-green plant. Versatile and hardy. Ideal for foundations, on bankings, in borders and exposed locations. Prefers sun.

Pfitzer Juniper		
18 to 24 in.	6.00	55.00
2 to 2½ ft.	8.00	75.00
2½ to 3 ft.	10.00	
3 to 4 ft.	12.00	

ch. pfitzeriana silver blue

Light silvery-blue form of preceding. For accent and contrast in evergreen plantings.

Blue Pfitzer Juniper		
2½ to 3 ft.	11.00	105.00
3 to 4 ft.	15.00	

ch. sargentii

Dense, low-growing, gray-green ground-cover for banks and rockeries. Slow-growing and permanent.

Sargent Chinese Juniper		
18 to 24 in.	7.50	
2 to 2½ ft.	10.00	
2½ to 3 ft.	12.50	

excelsa stricta

Small conical evergreen for accent in foundation or garden. Steel blue-green prickly needles.

Spiny Greek Juniper		
15 to 18 in.	4.50	42.00
2 to 2½ ft.	6.00	
2½ to 3 ft.	7.50	

hor. depressa plumosa

Rich green prostrate cover for slopes and rock gardens. Needles turn a warm purple in winter for effective contrast.

Andorra Creeping Juniper		
15 to 18 in.	5.00	48.00
18 to 24 in.	6.00	55.00
2 to 2½ ft.	7.50	70.00
2½ to 3 ft.	10.00	95.00
3 to 3½ ft.	12.50	115.00

sabina tamariscifolia

Sparkling silver highlights on dark green needles. Plant is dense and compact but with gracefully arching fronds. Very low and dwarf.

Tamarix Savin Juniper		
18 to 24 in.	7.50	
2 to 2½ ft.	9.00	

squamata meyeri

Slow growing, semi-arching. Vivid blue needles.

6 to 7 ft.
7 to 8 ft.

10.00
14.00
18.00

Redcedar**PICEA****abies (excelsa)**

Hardy, rapid-growing, large evergreen adaptable to almost any soil. Dark green needles. For hedges, screens and windbreaks.

2 to 3 ft.
3 to 4 ft.

Norway Spruce

4.00 36.00
5.00 45.00

glauca (canadensis)

Rapid-growing tree to 50 feet. Succeeds near sea-shore. Outstanding for tall screens and windbreaks.

3 to 4 ft.
4 to 5 ft.
5 to 6 ft.

White Spruce

6.50 60.00
9.50
14.00

orientalis

Dense, broad pyramid with dark green, short needles. An attractive specimen or screen plant.

4 to 5 ft.
5 to 6 ft.
6 to 7 ft.

Oriental Spruce

10.00
15.00
20.00

pungens

Tall symmetrical tree with gray velvety needles. Specimen or screen use.

2 to 3 ft.
3 to 4 ft.

Colorado Spruce

7.50
10.00

pungens glauca

The most popular evergreen for specimen use, because of its blue-tinged needles. Thrives in exposed locations.

2 to 3 ft.
3 to 4 ft.
4 to 5 ft.

Blue Colorado Spruce

9.00
12.00
15.00

PINUS**mugo mughus**

Low, round, dense cushion of bold, medium-green needles. Wonderfully contrasting texture for foundations, rock garden, and accents.

15 to 18 in.
18 to 24 in.
2 to 2½ ft.

Mugho Pine

5.50
7.50
9.00

nigra

Long, dark green needles on boldly spreading branches. thrives in almost any soil and does well at the seashore.

2 to 3 ft.
3 to 4 ft.

Austrian Pine

6.00
9.00

resinosa

Rapid-growing tree to 60 feet adaptable to use as screen, windbreak or specimens. Succeeds in exposed locations.

3 to 4 ft.
4 to 5 ft.

Red Pine

6.00 57.00
9.00 80.00

strobus

Very soft thick needles and adaptability to shearing makes this useful for large hedges. Also tall specimens.

2 to 3 ft.
3 to 4 ft.
4 to 5 ft.
5 to 6 ft.
6 to 7 ft.
7 to 8 ft.

White Pine

4.00
5.00
7.00
9.00
12.50
16.00

tabulaeformis

Long needled bushy and compact growth makes this especially desirable for specimen use and screens. One of the best Pines.

Size

Each

Per 10

Mongolian Pine

3 to 4 ft.	9.00
4 to 5 ft.	15.00
5 to 6 ft.	20.00

thunbergi

The outstanding tree for planting near salt water and bleak situations. Graceful, wide-spreading with broad, irregular head.

Japanese Black Pine

4 to 5 ft.	15.00	135.00
5 to 6 ft.	20.00	

5 years, twice transplanted, 9 to 15 inches

Sturdy plants with well developed root systems offered at very reasonable cost where a large quantity is required. Roots are wrapped in moss.

.....	10 for	15.00
.....	25 for	30.00
.....	100 for	100.00

PSEUDOTSUGA**douglasi**

Rapid-growing tree to 60 ft. Resembles Spruce but needles are 3 to 4 in., softer, of medium to dark green. Specimen or windbreak.

2 to 3 ft.	5.00
3 to 4 ft.	7.50
4 to 5 ft.	10.00
5 to 6 ft.	12.00

Douglas Fir**TAXUS****baccata repandens**

Nearly prostrate, spreading, informal evergreen with dark bluish-green needles. For foundations and evergreen borders.

2 to 2½ ft.	12.50
2½ to 3 ft.	15.00

Spreading English Yew**cuspidata (spreading form)**

The most satisfactory spreading plant for foundation use; as well as mixed evergreen borders. Olive green new growth contrasts effectively with older dark green needles. Slow growing, sun or shade.

15 to 18 in.	5.50
18 to 24 in.	6.50
2 to 2½ ft.	9.50
2½ to 3 ft.	13.50

Japanese Yew**cuspidata capitata (upright form)**

Probably the best upright evergreen for foundation use. Slow growing, compact, easily trimmed, rich dark green. Also for tall hedges in sun or shade.

18 to 24 in.	6.50
2 to 2½ ft.	9.00
2½ to 3 ft.	12.50
3 to 3½ ft.	16.00
3½ to 4 ft.	20.00

Japanese Yew**cuspidata nana**

Extremely slow growing, spreading form; ideal where limited size is important. Sheer beauty of color, texture and form, hardiness and longevity make it one of the most valuable evergreens.

12 to 15 in.	5.00
15 to 18 in.	7.50
18 to 24 in.	10.00
2 to 2½ ft.	15.00

Dwarf Japanese Yew**cuspidata thayerae**

Wide spreading and slightly arching branches. Typical Yew foliage.

18 to 24 in.	10.00	95.00
2 to 2½ ft.	12.50	120.00

Thayer Yew

media browni

Extremely dense, slow-growing, conical variety ideally suited for foundation plantings where dwarfness is desired.

Size

Each Per 10

18 to 24 in.

Brown's Yew

9.00

media hatfieldi

The most adaptable of evergreens. Slow, extremely compact growth, broadly conical shape, dark lustrous foliage. Unsurpassed for low hedges, at entrance to homes and gardens, along walks and terraces.

15 to 18 in.

6.00

Hatfield Yew

18 to 24 in.

7.00

2 to 2½ ft.

10.00

2½ to 3 ft.

15.00

media hicksi

Upright form with almost parallel sides. Desirable for medium hedges, accents or specimens.

18 to 24 in.

6.50

Hicks Yew

2 to 2½ ft.

8.00

2½ to 3 ft.

11.00

3 to 3½ ft.

14.00

THUYA**occidentalis**

Its narrow, columnar habit, ease of growth and density occasions its general use for tall hedges, also for tall accents in foundation groupings.

We have larger sizes available.

Summer Flowers and Vegetables

Increase your gardening pleasure and enhance the beauty of your property by adding gay spots of color to your home grounds. This can be done quite easily and inexpensively by the use of colorful Annuals and summer-flowering Bulbs. Use them in the foundation planting, in the foreground of shrub and evergreen borders, as edgings and borders for the rose garden, to increase the color in the perennial border, and of course for the cut-flower garden.

For the home-owner with a larger amount of garden space available, there can be the satisfaction that comes only from harvesting ones' own vegetables. We have a complete line of vegetable seeds and plants for your selection.

Visit **NURSERY-LAND** and see the colorful display of plants and seeds.

Field Grown 2.50 18.00

SEASIDE PLANTINGS

The essentials of successful planting at the seashore are:

1. pockets of fertile soil, enriched with peat or other humus;
2. group rather than individual planting, for mutual protection; and
3. the use of plants which will adapt themselves to the severe exposures so often encountered there.

By far the most important of these points is the selection of the proper plants. From our years of experience in planting along the entire New England coast, as well as on Nantucket and Martha's Vineyard, we have compiled the following list of plants which have proven the hardiest and most satisfactory in these locations. You will find them described elsewhere in this catalogue.

Trees:

Thornless Locust
Laurel Willow
Honey Locust
Amur Maple
Red Maple
Cockspur Thorn

Shrubs:

Russian Olive
Autumn Eleagnus
Cherry Eleagnus
Rugosa Rose
Winterberry
Regel's Privet
Arrow-wood
Winged Euonymus
Dwarf Winged Euonymus
Beach Plum
Bayberry
Snowberry
Lead Plant
High-bush Blueberry

Perennials — Vines:

Hall's Honeysuckle
Summer King Honeysuckle
Lupines
Monkshood
Balloon Flower
Shasta Daisy
Hardy Pinks
Daylily
Nepeta
Creeping Thyme
Bugle

Rhododendrons and Azaleas

EVERGREEN RHODODENDRONS - DECIDUOUS AZALEAS

GLORIOUS FLOWERS - DISTINCTIVE FOLIAGE

FOUNDATIONS - SPECIMENS - MIXED BORDERS

Normally dug B-B; prefer semi-shade; rich soil; no manure.

RHODODENDRON

carolinianum

Small shiny leaves on compact plants to 5 feet. Flowers clear pink, in mid-May, literally cover the shrub. Extremely choice.

Size

Each

Per 10

Carolina Rhododendron

12 to 15 in.	4.00
15 to 18 in.	6.00
18 to 24 in.	8.00

catawbiense

Huge showy flowers in various shades of rosy lilac in early June. To 6 feet. Leaves large and dark green. Prefers shady locations. Very hardy.

Catawba Rhododendron

15 to 18 in.	6.00
18 to 24 in.	8.00
2 to 2½ ft.	10.00

laetevirens

4 foot spread at 4 inches yearly. Low dense mound covered with deep rose flowers in late June.

Wilson Rhododendron

15 to 18 in.	6.00
18 to 24 in.	8.00

maximum

Its large size and huge leaves create bold masses of dignity and elegance. For evergreen background planting. White to blush-pink flowers in late June and July.

Rosebay Rhododendron

2 to 2½ ft.	6.00	55.00
2½ to 3 ft.	8.00	75.00
3 to 3½ ft.	11.00	
3½ to 4 ft.	15.00	

Add 10% of entire order to help defray packing cost.

Hybrid Seedling Rhododendrons

These plants have been grown from seeds of Hybrid Rhododendrons which are hardy and ideally suited to this climate.

Bushy, compact plants with colors ranging from pink, through lilac, to lavender.

	Each		Each
15 to 18 in.	6.00	18 to 24 in.	7.50

Azaleas

Azaleas provide a range of colors seldom found in nature. By proper selection you can achieve a profusion of vivid flowers from early April to July.

The opportunities for using Azaleas are almost unlimited. Their graceful habit appears to good advantage in wooded areas, borders or gardens, while many are most decorative in a foundation planting where evergreens provide a dark background for their brilliant blossoms.

AZALEA**arborescens**

Intensely delicious fragrance, pinkish white flowers in mid-June.

Size

Each Per 10

Sweet Azalea

18 to 24 in.
2 to 2½ ft.

6.50
8.00

kaempferi

Perhaps the most beautiful of the hardy Azaleas. Glorious sprays of vivid salmon-pink from middle to late May.

15 to 18 in.

Torch Azalea

6.00

ledifolia alba

An evergreen Azalea with glossy dark green leaves. Dwarf, compact plant resembling a glistening mound of snow when in blossom in May.

15 to 18 in.

Snow Azalea

6.00

mollis

Low plant laden with large bright flowers of yellow and orange. Perfectly hardy.

15 to 18 in.
18 to 24 in.
2 to 2½ ft.

Chinese Azalea

5.00
7.50
10.00

mucronulata

First to flower, in mid-April. Rose-lavender flowers blend with Forsythia. Low plant.

18 to 24 in.
2 to 3 ft.

Mongolian Azalea

7.50
10.00

yedoensis poukhanensis

Compact and low-growing, laden with orchid-like flowers from middle to late May. Its form, color and attractive foliage make this one of the choicest.

12 to 15 in.

Orchid Azalea

5.50

ACER

dasycarpum

Quick-growing, gracefully slender tree to 80 feet. Golden Autumn foliage. For rapid screening.

Size

Each Per 10

Silver Maple

6 to 8 ft.	3.00	25.00
8 to 10 ft.	4.00	30.00
10 to 12 ft.	5.00	45.00

ginnala

Small bushy tree with brilliant pinkish-red samaras in the fall. Excellent for large hedges.

6 to 8 ft.	7.50
8 to 10 ft.	10.00

Amur Maple

negundo

Rapid growing tree for almost any soil or location. Ideal for large screen plantings.

10 to 12 ft.	10.00
12 to 14 ft.	12.50

Boxelder

	95.00
	115.00

palmatum atropurpurea

The brilliant red, gracefully cut foliage and medium height are reasons for its great popularity.

Japanese Red-leaved Maple

2½ to 3 ft. BB	10.00
----------------	-------

platanoides

Most popular street tree. Broad round head casts dense shade. Does well in difficult situations including city and shore.

	Size	Each	Per 10
platanoides schwedleri		Schwedler Maple	
A form of the Norway Maple with strong red leaves in the Spring, later turning dark green.	6 to 8 ft.	8.00	75.00
	8 to 10 ft.	10.00	95.00
	10 to 12 ft.	15.00	

pl. schwedleri nigra	(Pat. No. 735)	Crimson King Maple	
The outstanding tree introduction of a generation. The dark red foliage color is retained throughout the summer, and the tips of the branches glisten like red flowers. Superb for a lawn, street or specimen tree. Perfectly hardy.	4 to 5 ft.	5.00	
	5 to 6 ft.	6.00	

rubrum		Red Maple	
The leaves of this tree are green until fall, when they become the most brilliant in the landscape; in shades of red, crimson and scarlet.	6 to 8 ft.	5.00	45.00
	8 to 10 ft.	7.50	70.00
	10 to 12 ft.	10.00	95.00
	12 to 14 ft.	12.00	115.00

saccharum		Sugar Maple	
An excellent shade and street tree, higher headed than the Norway. Foliage turns bright yellow and scarlet in autumn.	6 to 8 ft.	6.00	55.00
	8 to 10 ft.	8.50	80.00
	10 to 12 ft.	12.00	115.00

BETULA

papyrifera		Canoe Birch	
The creamy-white bark of the mature Canoe Birch and its slender, graceful form make this a favorite specimen tree.	5 to 6 ft.	6.00	55.00
	6 to 8 ft.	8.00	75.00
	8 to 10 ft.	12.00	110.00

populifolia		Gray Birch	
Slender tree with smooth, grayish-white bark and glossy leaves. Rapid grower. For graceful accent or contrast.	6 to 8 ft.	5.00	45.00
	8 to 10 ft.	7.50	70.00
	10 to 12 ft.	10.00	
	6 to 8 ft. clumps	10.00	
	8 to 10 ft. clumps	15.00	

All Birches are dug balled and burlapped at prices quoted.

CARPINUS

betulus		European Hornbeam	
Small tree branching to ground like Beeches. Useful for dense screens. Golden autumn foliage.	12 to 14 ft. BB	30.00	

CASTANEA

mollissima		Chinese Chestnut	
Highly resistant to blight. Develops into a handsome, tall lawn tree, as well as producing large edible nuts. Plant 2 or more for best pollination.	3 to 4 ft.	3.50	
	4 to 5 ft.	4.50	

CATALPA

speciosa		Western Catalpa	
A rapid-growing tree with leaves 10 inches long. Up to 60 feet in height. Handsome white flowers in large clusters in June.	6 to 8 ft.	5.00	
	8 to 10 ft.	6.00	
	10 to 12 ft.	8.50	
	12 to 14 ft.	12.00	

	Size	Each	Per 10
CELTIS			
occidentalis			Hackberry
Quick growing shade tree of medium height, splendid for small properties.	8 to 10 ft.	8.50	
	10 to 12 ft.	10.00	
	12 to 14 ft.	14.00	
CERCIDIPHYLLUM			
japonicum			Katsura Tree
Unusual and attractive shade tree of pyramidal form with glossy, bright-green, heart-shaped leaves. Especially showy in the fall with orange and scarlet foliage.	5 to 6 ft.	7.50	
CERCIS			
canadensis			Redbud or Judas Tree
A beautiful ornamental small tree. Laden with red pea-shaped blossoms before the leaves appear.	5 to 6 ft.	5.50	
	6 to 7 ft.	7.50	
CHIONANTHUS			
virginicus			White Fringe
This shrub-like tree is one of the best all-purpose ornamental trees. The large glossy dark foliage forms a superb setting for the delicate white, fringed flowers in early summer.	3 to 4 ft.	2.00	18.00
	4 to 5 ft.	3.00	25.00
	5 to 6 ft.	4.00	36.00
	6 to 7 ft.	6.00	55.00
	7 to 8 ft.	9.00	85.00
CLADRASTIS			
lutea			Yellow Wood
Medium sized shade tree of the Locust family, with feathery leaves casting graceful patterns of light and shade. Fragrant white pea-blossoms in June.	5 to 6 ft. BB	10.00	
	6 to 8 ft. BB	12.00	
	8 to 10 ft. BB	17.50	
CORNUS			
The Flowering Dogwoods are considered by many to be the most attractive and desirable of all Flowering Trees. The distinctively beautiful flowers, gracefully informal branching, extent of blooming period and adaptability afford all an opportunity to enjoy them.			
florida			White Flowering Dogwood
Outstanding for the large snowy-white flowers produced in May before the leaves. Glittering berries cluster in a nest of colorful autumn foliage of pink crimson and maroon. Informal in habit and pattern of branches. For specimen or border.	3 to 4 ft. BB	6.00	
	4 to 5 ft. BB	8.00	
	5 to 6 ft. BB	11.00	
	6 to 7 ft. BB	14.00	
	7 to 8 ft. BB	18.00	
florida rubra			Red Flowering Dogwood
Perhaps the most breath taking of all flowering trees. The deep rose flowers create an effect almost beyond description, when planted alone, with the white flowering variety or with evergreens.	3 to 4 ft. BB	9.00	
	4 to 5 ft. BB	12.00	
	5 to 6 ft. BB	15.00	
kousa			Kousa Dogwood
Flowers in June, after the other Dogwoods; but equally beautiful. Large creamy-white blossoms.	3 to 4 ft. BB	6.00	
	4 to 5 ft. BB	8.00	
	6 to 8 ft. BB	18.00	
	8 to 10 ft. BB	30.00	

CRATAEGUS

Size

Each

Per 10

arnoldiana**Arnold Hawthorn**

Small, 20 feet, broad-crowned tree with ascending branches. White flowers in May, and abundant red fruit in autumn.

5 to 6 ft. BB	9.00
6 to 8 ft. BB	12.00

coccinea**Thicket Hawthorn**

Large foliage, and white blossoms in May, followed by scarlet fruits in the fall. Make an impenetrable hedge.

8 to 10 ft. BB	15.00
10 to 12 ft. BB	18.00

crusgalli**Cockspur Thorn**

Long sharp thorns and lustrous foliage, which turns orange and scarlet in the fall. Best Thorn for seashore planting.

5 to 6 ft. BB	10.00
6 to 8 ft. BB	14.00
8 to 10 ft. BB	18.00
10 to 12 ft. BB	22.00

oxyacantha pauli**Paul's Double Scarlet Hawthorn**

Small fine tree noted for its very double, deep crimson flowers and luxuriant foliage.

5 to 6 ft. BB	9.00
6 to 8 ft. BB	12.00

phaenopyrum (cordata)**Washington Hawthorn**

The best variety for autumn fruit, which persists far into the winter. Considered one of the finest native Thorns. Dense twiggy growth. For specimen use.

6 to 8 ft. BB	15.00
8 to 10 ft. BB	20.00
10 to 12 ft. BB	25.00
12 to 14 ft. BB	35.00

FAGUS**grandifolia (americana)****American Beech**

Large spreading tree of symmetrical habit. Its rich yellow autumn foliage and smooth gray bark add to its attractiveness.

10 to 12 ft. BB	20.00
12 to 14 ft. BB	30.00
14 to 16 ft. BB	40.00
16 to 18 ft. BB	55.00

sylvatica**European Beech**

Slow growing, symmetrical trees, branching to the ground. Leaves are smaller than American variety, and last into winter. Excellent for screens, clipped hedges and specimens.

5 to 6 ft. BB	10.00
6 to 8 ft. BB	15.00
8 to 10 ft. BB	20.00
10 to 12 ft. BB	25.00
12 to 14 ft. BB	35.00
14 to 16 ft. BB	50.00

FRAXINUS**americana****White Ash**

Distinguished by a straight, clean trunk, slender habit and soft green foliage turning golden yellow in autumn.

8 to 10 ft.	6.00	55.00
10 to 12 ft.	8.00	75.00
12 to 14 ft.	10.00	
14 to 16 ft.	12.00	

GINGKO**biloba****Maidenhair Tree**

Once established it grows into a graceful, high-crowned, straight-trunked street and shade tree. Leaves golden yellow in fall.

6 to 8 ft.	7.50	70.00
8 to 10 ft.	10.00	95.00
10 to 12 ft.	12.00	115.00

GLEDITSIA**triacanthos****Honeylocust**

A fast-growing tree with fragrant pea-like flowers. Thrives along the ocean despite spray, wind or poor soil.

5 to 6 ft.	5.00	45.00
6 to 8 ft.	7.50	70.00
8 to 10 ft.	10.00	

triacanthos inermis

The absence of thorns adds to its desirability as a rapid-growing shade tree. We recommend it most highly for general use inland as well as at the seashore, where it will thrive.

Size

Each

Per 10

Thornless Honeylocust

5	to	6 ft.	7.50
6	to	8 ft.	9.00
8	to	10 ft.	12.00

triacanthos var. Moraine

(Pat. No. 836)

Moraine Locust

Experts predict that this tree will replace the American Elm as the most graceful shade tree. Its form is vase-shaped like the Elm; fast-growing and adaptable to a wide variety of soils. Other reasons for its certain popularity are: absence of thorns and unsightly seed pods, ease of transplanting, interesting, lacy foliage patterns and handsome appearance.

6	to	7 ft.	9.00
---	----	-------	------

HALESIA**tetraptera**

Lawn tree of medium size with pearly white blossoms in May. Gray bark.

Great Silverbell

4	to	5 ft.	3.00	27.00
6	to	8 ft.	9.00	
8	to	10 ft.	12.00	
10	to	12 ft.	20.00	

JUGLANS**nigra**

Tall, slender tree with large rugged leaves, grown for ornament and edible nuts.

Black Walnut

5	to	6 ft.	4.00
6	to	8 ft.	6.00

LABURNUM**vossi**

Exquisite, pendulous clusters of golden yellow flowers like Wistarias. The 18 to 20 inch clusters are borne profusely in late Spring.

Goldenchain Tree

4	to	5 ft.	4.00
5	to	6 ft.	6.00

LIRIODENDRON**tulipifera**

The glossy and unusually-shaped leaves give the name to this large symmetrical tree, ideally suited for shade and specimen use.

Tulip Tree

5	to	6 ft.	5.00
6	to	7 ft.	7.50

MAGNOLIA**liliflora nigra**

A stand-out even among Magnolias. Huge flowers which are deep purple outside, contrasting with delicate pale purple inside. Grows about 10 feet tall.

Purple Lily Magnolia

2	to	3 ft. BB	9.00
3	to	4 ft. BB	12.00
4	to	5 ft. BB	14.00

soulangeana

Picturesque small tree blanketed in early Spring by giant rose-pink flowers. Glossy, dark green leaves follow.

Saucer Magnolia

2	to	3 ft. BB	7.50
3	to	4 ft. BB	9.00
4	to	5 ft. BB	12.00
5	to	6 ft. BB	15.00

	Size	Each	Per 10
soulangeana alba superba		White Saucer Magnolia	
The creamy-white flowers have a universal appeal, whether to round out a Magnolia group or as a single specimen.	2 to 3 ft. BB	9.00	
	3 to 4 ft. BB	12.00	
stellata		Star Magnolia	
A rare, strikingly beautiful small tree covered in early Spring with large, gleaming white, star-shaped flowers of intense fragrance.	2 to 3 ft. BB	12.00	

MALUS

Flowering Crabs are small trees covered in May with clusters of blossoms varying from white to deep crimson. They transplant well and are perfectly hardy anywhere in New England. Decorative bright fruits in autumn. Prefer sun.

atrosanguinea		Carmine Crab	
Bright crimson blooms make this one of the brightest of the Crabs. Upright form with broad head.	5 to 6 ft.	8.00	
	6 to 8 ft. BB	12.00	
baccata		Siberian Crab	
Flowers pink in bud, opening pure white and fragrant. Yellow and red fruit. Upright growth.	4 to 5 ft.	5.00	45.00
	5 to 6 ft.	8.00	75.00
	6 to 8 ft. BB	12.00	115.00
floribunda		Japanese Flowering Crab	
Profuse bright pink buds opening to white flowers on slender stems. Pinkish-red fruits. Spreading habit.	5 to 6 ft.	8.00	75.00
	6 to 8 ft.	12.00	110.00
halliana parkmani		Parkman Crab	
One of the showiest of all. Glorious semi-double bright pink blossoms. Slender, upright form.	5 to 6 ft.	8.00	
hopa		Hopa Crab	
Sturdy upright tree with dark pink flowers, followed by slightly purple leaves.	5 to 6 ft.	8.00	75.00
	6 to 8 ft. BB	12.00	
	8 to 10 ft. BB	15.00	
ioensis plena		Bechtel Crab	
Upright, vase-shaped tree with fully double, fragrant, delicate pink flowers.	5 to 6 ft.	8.00	75.00
Pink Weeper		Pink Weeper Crab	
Pendulous branches create a fountain-like effect. Crimson flowers form a colorful cascade.	5 to 6 ft. BB	10.00	95.00
	6 to 7 ft. BB	15.00	140.00
pumila niedzwetskyana		Redvein Crab	
Deep-pink flowers and dark purple leaves on sturdy upright tree. Large red fruits in the fall. To 25 feet.	4 to 5 ft.	5.00	
	5 to 6 ft.	8.00	
purpurea		Purpleleaf Crab	
The brilliant foliage remains a rich reddish-purple. Flowers are deep red, as is the fruit.	4 to 5 ft.	5.00	45.00
	5 to 6 ft.	8.00	75.00

	Size	Each	Per 10
purpurea eleyi		Eley Crab	
A purple-leaf variety with extremely large dark red flowers; apricot-colored fruit.	4 to 5 ft.	5.00	45.00
	5 to 6 ft.	8.00	75.00
Red Silver		Red Silver Crab	
Red foliage overtone with silver. Clusters of red blossoms. Small red fruit.	4 to 5 ft.	5.00	45.00
	5 to 6 ft.	8.00	75.00
Rosybloom		Almey Crab	
Radiant, live-red flowers. Broadly spreading, small tree.	4 to 5 ft.	5.00	45.00
	5 to 6 ft.	8.00	75.00
sargent		Sargent Crab	
Dwarf, broad spreading tree covered with billows of snowy white blooms. Abundant red fruit in autumn. Bushy growth.	3 to 4 ft.	5.00	45.00
	4 to 5 ft.	8.00	75.00
	5 to 6 ft.	12.00	115.00
toringoides		Cutleaf Crab	
Small upright tree with finely-cut leaves adding interest after the white flowers. Many red fruits.	5 to 6 ft.	8.00	
	6 to 8 ft. BB	12.00	
	8 to 10 ft. BB	20.00	
MORUS			
alba tartarica		Russian Mulberry	
Low, bushy-topped tree, widely planted for its edible reddish black fruit which is especially attractive to birds.	5 to 6 ft.	3.50	32.50
	6 to 8 ft.	5.00	45.00
OXYDENDRON			
arboreum		Sourwood	
Slender graceful tree of medium height. Long curving racemes of white flowers in July and August. First tree with scarlet autumn foliage. Does well in shade.	3 to 4 ft. BB	4.00	36.00
	4 to 5 ft. BB	5.00	45.00
	5 to 6 ft. BB	6.00	57.50
POPULUS			
nigra italica		Lombardy Poplar	
Narrow upright tree used where rapid growth is essential. Used for screening purposes. Grows most anywhere.	8 to 10 ft.	3.00	27.00
	10 to 12 ft.	5.00	45.00
	12 to 14 ft.	7.50	70.00
PRUNUS			
pissardi, Thundercloud		Purpleleaf Plum	
Darkest foliage of the purple leaf Plums, preceded by glowing pink flowers in early Spring. Unusually interesting.	5 to 6 ft.	8.00	75.00
	6 to 8 ft. BB	12.00	115.00
sargenti		Sargent Cherry	
Handsome, early flowering tree, light clear pink.	3 to 4 ft.	5.00	
	4 to 5 ft.	8.00	
	5 to 6 ft.	10.00	
serrulata Higurashi		Japanese Flowering Cherry	
One of the best for form and flower. Graceful, airy clouds of large double flowers of clear, light pink.	4 to 5 ft.	6.00	
	5 to 6 ft.	7.50	
serrulata, Kwanzan		Pink Flowering Cherry	
Gracefully covered, in Spring with showy, airy, double pink flowers. Vigorous grower.	6 to 7 ft. BB	12.00	115.00
	7 to 8 ft. BB	15.00	

subhirtella pendula

In early Spring the graceful, pendulous branches are almost completely covered by a profusion of rose-pink blossoms. Trees are branched completely to the ground.

Size	Each	Per 10
5 to 6 ft.	7.50	

Weeping Higan Cherry**QUERCUS****borealis (rubra)**

Majestic, broad-headed tree to 80 feet. Quick-growing when established. Durable, long-lived shade and street tree. Withstands wind well.

Size	Each	Per 10
8 to 10 ft.	10.00	
10 to 12 ft.	14.00	
12 to 14 ft.	18.00	
14 to 16 ft.	24.00	

Red Oak**palustris**

One of the most satisfactory shade trees. Handsome, durable and quick-growing. Slightly pendulous branches with finely cut dark leaves.

Size	Each	Per 10
6 to 8 ft.	8.00	
8 to 10 ft.	12.00	
10 to 12 ft.	15.00	
12 to 14 ft.	20.00	
14 to 16 ft.	30.00	

Pin Oak

Larger sizes are available from 4 to 8 inches in caliper. Beautiful heavy specimens.

Ask for quotations.

SALIX**babylonica**

Useful for quick-growing screens and back-grounds. Long slender branches of olive green.

Size	Each	Per 10
6 to 8 ft.	3.00	27.00
8 to 10 ft.	5.00	45.00
10 to 12 ft.	7.00	65.00

GROUND-COVER PLANTS

Perhaps the most rapidly-spreading development in the field of landscaping is the use of Ground-cover plants around the home grounds; to reduce mowing and weeding; to hold soil on slopes; to plant under trees where grass will not grow and in the shrub border; to provide a luxuriant, green carpet all year-round or for bright flowers all summer.

The following is a list of the most satisfactory plants for Ground-cover use. Fuller descriptions of them will be found elsewhere in this catalogue.

Those marked with an "S" will do well in shade.

Evergreen

Pachysandra	S
Vinca Myrtle	S
Spreading Eng. Yew	S
Sargent Juniper	
Andorra Juniper	
Wintercreeper	
English Ivy	S
Baltic Ivy	S

Deciduous

2 to 3 ft.	1.50	13.50
3 to 4 ft.	2.00	18.00

ARONIA

melanocarpa

Narrow open habit. Crown for black fruits in naturalistic surroundings.

Black Chokeberry		
4 to 5 ft.	1.50	13.50
5 to 6 ft.	1.75	16.00

Add 10% of entire order to help defray packing cost.

BERBERIS**mentorensis**

Erect hedge plant with semi-evergreen leaves, full to the ground.

Size	Each	Per 10
2 to 3 ft.	2.50	22.50

Mentor Barberry**thunbergi**

Generally used for hedges. Foliage rich green turning red in Fall. Red berries hang on all winter.

Size	Each	Per 10	Per 100
12 to 15 in.	.50	4.50	40.00
15 to 18 in.	.65	6.00	55.00
18 to 24 in.	.80	7.50	70.00
2 to 3 ft.	1.00	9.50	

Japanese Barberry**thunbergi atropurpurea**

Like the preceding, except that leaves are dark red all summer. Always a cheery note; prefers full sun.

Size	Each	Per 10
18 to 24 in.	1.25	11.00
2 to 3 ft.	1.50	13.50

Red-leaved Jap. Barberry**thunbergi erecta**

Upright growth is especially suited to hedge use. Leaf color is dark and rich at all times. Recommended highly.

Size	Each	Per 10
15 to 18 in.	.75	6.50
18 to 24 in.	.90	8.00
2 to 2½ ft.	1.25	11.00

Truehedge Columnberry**BUDDLEIA**

Beautiful shrubs flowering July to September in sunny locations. Send up new shoots each year.

CHARMING	Brilliant pink	3 yr.	1.25	11.00
ÎLE DE FRANCE	Rosy Purple	3 yr.	1.25	11.00
ROYAL RED (Pat. No. 556)	Dark Royal Purple	3 yr.	1.25	11.00
SNOWBANK	Lustrous white	3 yr.	1.25	11.00

Butterflybush**CALYCANTHUS****floridus**

Sun or partial shade. Chocolate flowers are pineapple scented, July to September.

Size	Each	Per 10
18 to 24 in.	1.50	
2 to 3 ft.	1.75	

Sweetshrub**CARAGANA****arborescens**

Tall hardy shrub; bright green leaves and yellow June flowers. Also for light soils.

Size	Each	Per 10
3 to 4 ft.	2.00	18.00
4 to 5 ft.	3.00	27.00
6 to 8 ft. heavy	7.50	

Siberian Pea-Tree**CHAENOMELES (Cydonia)****lagenaria**

A profusion of glowing color, orange to red, in early Spring. Spreading, spiny branches; golden fruit. Groups or specimen.

Size	Each	Per 10
18 to 24 in.	1.25	11.00
2 to 3 ft.	1.75	16.00

Flowering Quince**lagenaria — red**

These plants selected for their unusually vivid scarlet flowers. Excellent for cutting.

Size	Each	Per 10
2 to 3 ft.	1.75	16.00
3 to 4 ft.	2.00	18.00

Red Flowering Quince**CLETHRA****alnifolia**

Native Sweet Pepper bush with spikes of creamy white, fragrant flowers throughout July and August. For shady and damp places.

Size	Each	Per 10
18 to 24 in.	1.00	9.00
2 to 3 ft.	1.50	13.50
3 to 4 ft.	2.00	18.00

Summersweet

CORNUS**alba**

Erect, scarlet branches and blue-white berries. Vivid winter color.

Size	Each	Per 10
3 to 4 ft.	1.50	13.50

Tatarian Dogwood**mas**

Tall shrub to 15 feet with immense quantities of yellow flowers before the leaves. Scarlet fruits in autumn.

Size	Each	Per 10
2 to 3 ft.	2.00	
3 to 4 ft.	3.00	

Cornelian Cherry**racemosa**

One of the most handsome white-flowering native shrubs. Decorative white fruits and red stems make for interest throughout the year.

Size	Each	Per 10
3 to 4 ft.	1.75	16.00
4 to 5 ft.	2.00	18.00

Gray Dogwood**stolonifera**

Blood-red branches; white flowers and berries. Winter color.

Size	Each	Per 10
3 to 4 ft.	1.50	13.50
4 to 5 ft.	2.00	18.00

Redosier Dogwood**stolonifera flaviramea**

Yellow branches contrasting brilliantly with the preceding.

Size	Each	Per 10
2 to 3 ft.	1.50	13.50
3 to 4 ft.	2.00	18.00

Yellowtwig Dogwood**COTINUS****cogggyria**

Most unusual and attractive because of its clouds of misty, purplish flowers in August and September. In autumn the leaves change to red, brown and yellow.

Size	Each	Per 10
3 to 4 ft.	2.50	

Smoke Tree**COTONEASTER****apiculata**

Beautiful hardy dwarf shrub to about 4 feet with arching branches laden in the fall with shiny crimson fruits.

Size	Each	Per 10
15 to 18 in.	4.00	
18 to 24 in.	5.00	
2 to 3 ft.	7.50	

Cranberry Cotoneaster**divaricata**

Universally satisfactory whether planted singly or in groups; in foundations and gardens. Thrives near the seashore. Tiny rose-pink flowers followed by an abundance of brilliant scarlet fruits.

Size	Each	Per 10
18 to 24 in.	2.00	18.00
2 to 3 ft.	3.00	27.00
3 to 4 ft.	4.50	40.00

Spreading Cotoneaster**horizontalis**

Extremely prostrate dwarf shrub perfectly suited to rock gardens and ground covers. Glossy leaves, pinkish-white flowers and sparkling red fruit.

Size	Each	Per 10
9 to 12 in.	1.75	16.00
12 to 15 in.	2.50	22.50

Rock Cotoneaster**DEUTZIA****gracilis**

Small compact shrub whose slender, arching branches are profusely covered by pure white flowers in early summer.

Size	Each	Per 10
12 to 15 in.	1.25	11.00
15 to 18 in.	1.50	13.50
18 to 24 in.	2.00	18.00

Slender Deutzia

	Size	Each	Per 10
lemoinei		Lemoine Deutzia	
Early blooming, vigorous small shrub with great sprays of snowy white flowers along its branches.	18 to 24 in.	1.50	13.50
	2 to 3 ft.	2.50	22.50
scabra, Pride of Rochester		Deutzia	
A tall, wide spreading bush; large, double, fringed pink and white flowers in June.	2 to 3 ft.	1.50	13.50
	3 to 4 ft.	2.00	18.00
	4 to 5 ft.	2.50	22.50
	6 to 8 ft.	5.00	45.00
ELAEAGNUS			
angustifolia		Russian Olive	
Spreading, upright bush to 15 feet, with gray, woolly leaves and yellow flowers. Unsurpassed for seaside planting.	2 to 3 ft.	1.50	13.50
	3 to 4 ft.	1.75	16.00
	4 to 5 ft.	2.50	22.50
umbellata		Autumn Eleagnus	
Vigorous shrub to 12 feet, excellent near salt water. Powdery-green leaves and glowing amber berries.	6 to 8 ft.	6.00	
	8 to 10 ft.	8.00	
ENKIANTHUS			
campanulatus		Redvein Enkianthus	
Splendid shrub with interesting features at all season; brilliant red twigs; bell-like yellow flowers; scarlet, orange and yellow leaves in autumn.	2 to 3 ft. BB	3.00	
EUONYMUS			
alatus		Winged Euonymus	
An outstanding plant for specimen or tall background. Densely branched and compact; winged, corky bark and burning red autumn foliage.	18 to 24 in.	2.50	22.50
	2 to 3 ft.	3.50	32.50
	3 to 4 ft.	6.00	
alatus compactus		Dwarf Winged Euonymus	
Dwarf, slow-growing type whose brilliant red fall foliage always evokes admiration. For specimens and accents in the garden and at entrances; also low hedges.	15 to 18 in.	2.25	20.00
	18 to 24 in.	3.00	27.00
	2 to 3 ft.	4.00	36.00
yedoensis		Yeddo Euonymus	
Vivid crimson fall foliage plus great profusion of scarlet berries in orange husks.	2 to 3 ft.	2.00	18.00
	3 to 4 ft.	3.00	27.00
	4 to 5 ft.	4.00	36.00
FORSYTHIA			
intermedia		Border Forsythia	
Erect-growing, medium-sized shrub with gracefully arching branches, and clouds of deep yellow flowers.	2 to 3 ft.	1.25	
	3 to 4 ft.	1.50	
	4 to 5 ft.	2.00	
intermedia spectabilis		Showy Border Forsythia	
More free-flowering than the original, and of a deeper, more glorious yellow. A sure sign of spring.	2 to 3 ft.	1.25	11.00
	3 to 4 ft.	1.50	13.50
	4 to 5 ft.	2.00	18.00

	Size	Each	Per 10
Lynwood Gold			
This is the newest and gayest of the Forsythias. It originated in Ireland and is due to replace other Forsythias because of the glorious depth of color, the large size and profusion of blooms, and clean, erect growth.	2 to 3 ft.	2.50	22.50
	3 to 4 ft.	3.50	32.50
primulina, Spring Glory			
A new, improved variety; with more blossoms, of a glowing lemon-yellow.	2 to 3 ft.	1.50	13.50
	3 to 4 ft.	2.00	18.00
suspensa			
This variety has long, sweeping branches which root upon grounding, thus becoming extremely valuable for slopes. Bright yellow flowers in early April.	2 to 3 ft.	1.00	9.00
	3 to 4 ft.	1.25	11.00
	4 to 5 ft.	1.50	13.50
	5 to 6 ft.	1.75	

HIBISCUS**syriacus****Rose of Sharon**

Late-flowering, erect shrubs to 12 feet. Flowers are of various colors, 3 to 4 inches across, and blossoms from late July through September.

SHRUB FORM

Anemoneflorus	Double pink	3 to 4 ft.	1.50	13.50
Banner	Double white	3 to 4 ft.	1.50	13.50
Boule de Feu	Double purple	3 to 4 ft.	1.50	13.50
Coelestis	Single blue	2 to 3 ft.	1.50	13.50
Jeanne d'Arc	Double white	3 to 4 ft.	1.50	13.50
Lucy	Double red	3 to 4 ft.	1.50	13.50
Woodbridge	Large bright red	18 to 24 in.	1.75	16.00
W. R. Smith	Large pure white, early	18 to 24 in.	1.75	16.00

TREE FORM

Banner	Double white, red eye	5 to 6 ft.	4.00
		6 to 7 ft.	5.00
Boule de Feu	Double purple	3 to 4 ft.	2.00
		4 to 5 ft.	3.00
Jeanne d'Arc	Double white	3 to 4 ft.	2.00
Rubis	Single red	3 to 4 ft.	2.00
		4 to 5 ft.	3.00

HYDRANGEA**acuminata****Laceflower Hydrangea**

Light blue and white florets combine to create a delicately lacy effect on a medium, compact shrub.	15 to 18 in.	1.50	13.50
	18 to 24 in.	2.00	18.00

arborescens grandiflora**Snowhill Hydrangea**

Large, round clusters of snow-white,* 4 to 5 inches across, from June to September. For sun or shade.	2 to 3 ft.	1.50	13.50
---	------------	------	-------

hortensis**Double Blue Hydrangea**

The much admired blue Hydrangea of the South Shore and Cape Cod. The deep blue, double flowers are borne in huge, globe-shaped clusters all summer. Stocky, compact shrub of medium height.	8 to 10 canes	2.00	
---	---------------	------	--

	Size	Each	Per 10
paniculata grandiflora		Pee Gee Hydrangea	
Well-known variety, with huge conical flower heads changing from white to pink and red. Should have plenty of water and severe Spring pruning.	2 to 3 ft.	1.50	13.50
	3 to 4 ft.	2.50	22.50
	4 to 5 ft.	3.50	32.50

paniculata grandiflora, Tree Form		Pee Gee Hydrangea	
Single, tree like stem for about 2 feet, bursting into a large graceful head.	3 to 4 ft.	3.50	33.00
	4 to 5 ft.	4.50	40.00
	5 to 6 ft.	6.00	55.00

paniculata praecox		Early Hydrangea	
White panicles throughout the summer.	3 to 4 ft.	3.00	

HYPERICUM

densiflorum		Dense St. Johnswort	
Many-twigged shrub to 5 feet. Golden yellow flowers in August and September.	2 to 3 ft.	1.00	9.00
	3 to 4 ft.	1.25	11.00

frondosum (aureum)		Golden St. Johnswort	
Showy shrub of stiff, dense habit. Yellow flowers from August to October.	2 to 3 ft.	.90	8.00
	3 to 4 ft.	1.00	9.00

patulum, Sungold (Pat. No. 568)		Sungold Hypericum	
Hardy dwarf plant to about 2 feet. Golden yellow flowers, 2½ inches across, resemble double roses. They are mounds of gold from summer to fall.	18 to 24 in.	2.50	22.50

ILEX

serrata		Finetooth Holly	
The handsomest of the deciduous Hollies. June-flowering; but especially showy because of long-lasting scarlet berries in fall and winter. For background planting.	2 to 3 ft.	2.25	

verticillata		Winterberry	
Favored for winter ornament and cutting, because of the persistent scarlet berries.	2 to 3 ft.	1.50	13.50
	3 to 4 ft.	1.75	16.00
	4 to 5 ft. heavy	2.50	22.50
	5 to 6 ft. heavy	3.50	32.50
	6 to 7 ft. heavy	5.00	45.00

KERRIA

japonica pleniflora		Double Kerria	
Fully double, little golden balls on light green stems all summer.	18 to 24 in.	1.50	13.50
	2 to 3 ft.	1.75	16.00
	3 to 4 ft.	2.25	21.00

KOLKWTZIA

amabilis		Beauty Bush	
Handsome, hardy shrub completely buried in delicate bell-like blossoms of bright pink in June.	2 to 3 ft.	1.50	13.50
	3 to 4 ft.	2.25	21.00
	4 to 5 ft.	3.00	27.00

LIGUSTRUM

Privet is the most generally planted hedge shrub. Inexpensive, hardy, tolerant of soil and location.

amurense

Absolutely hardy; used for taller hedges.
Quick growing.

Size	Each	Per 10	Per 100
18 to 24 in.	3.00	27.00	
2 to 3 ft.	4.00	36.00	
3 to 4 ft.	5.50	50.00	
4 to 5 ft.	9.00	80.00	
5 to 6 ft.	1.50		

Amur Privet**ibolium**

Resembles California but much hardier. Best one for general hedge use. Shiny leaves.

18 to 24 in.	3.00	27.00
2 to 3 ft.	4.00	36.00
3 to 4 ft.	5.50	50.00

Ibolium Privet**obtusifolium (ibota)**

Most graceful. Spreading, curving branches, gray-green leaves fragrant white flowers. Hedge or specimen.

2 to 3 ft.	.50	4.50	40.00
3 to 4 ft.	.75	7.00	

Ibota Privet**obtusifolium regelianum**

Low spreading shrub for group or specimen use. Requires little trimming.

15 to 18 in.	.75	6.00
18 to 24 in.	.90	8.00
2 to 2½ ft.	1.00	9.00
2½ to 3 ft.	1.25	11.00

Regel Privet**ovalifolium**

Narrow hedge plant of compact growth and glossy persistent leaves.

18 to 24 in.	3.00	27.00
2 to 3 ft.	4.00	36.00
3 to 4 ft.	5.50	50.00

California Privet

LONICERA

tatarica alba

Big spreading bush covered with large white flowers in June. Crimson fruits.

Size	Each	Per 10
18 to 24 in.	1.00	9.00
4 to 5 ft.	1.75	16.00

White Tartarian Honeysuckle**tatarica rosea**

Light pink flowers in June; followed by red berries. Satisfactory in shade.

2 to 3 ft.	1.25	11.00
3 to 4 ft.	1.50	13.50

Rosy Tartarian Honeysuckle**tatarica zabelii**

A true red Honeysuckle, in blossom late May. Red berries linger till winter.

2 to 3 ft.	1.50	13.50
------------	------	-------

Red Bush Honeysuckle

MYRICA

pensylvanica

Low spreading shrub for sandy places. Dark green aromatic foliage and berries.

Size	Each	Per 10
15 to 18 in. BB	3.00	27.00
18 to 24 in. BB	4.00	36.00
2 to 2½ ft. BB	6.00	57.00

Northern Bayberry

PHILADELPHUS

coronarius

White fragrant flowers in June on a tall slender plant. Sun or shade.

3 to 4 ft.	1.50	13.50
4 to 5 ft.	1.75	16.00

Sweet Mockorange

Atlas hybrid

Pure white, fragrant giant blossoms. Ideal for cutting.

Belle Etoile hybrid

Star-like flowers, white flushed with purple. Fragrant.

Innocence hybrid

Single, purest white flowers of intense fragrance.

Virginal hybrid

Semi-double white flowers appear all summer. Especially fragrant and desirable.

Size

Each

Per 10

Giant Mockorange

2 to 3 ft.	2.00	
3 to 4 ft.	2.75	

Star Mockorange

3 to 4 ft.	2.75

3 to 4 ft.	2.00	18.00

PHYSOCARPUS**intermedius parvifolius**

Densely branched and upright. Small white flowers in June. For screens and borders.

Dwarf Ninebark

3 to 4 ft.	1.50	13.50
4 to 5 ft.	1.75	16.00

PRUNUS**besseyi**

Decorative white flowers in May. Edible August fruit. For orchard or shrub border

Bessey Cherry

2 to 3 ft.	1.50	13.50
3 to 4 ft.	1.75	16.00

glandulosa alba

Charming double white rosettes in April and May.

Double White Almond

2 to 3 ft.	1.75	16.00
------------	------	-------

glandulosa rosea

Profusion of double, rose-colored flowers in early spring.

Double Pink Almond

2 to 3 ft.	1.75	16.00
3 to 4 ft.	2.00	18.00

maritima

Found in sandy places and at seashore. Pink flowers; purple, edible fruit.

Beach Plum

15 to 18 in.	1.25	11.00
--------------	------	-------

triloba

Vigorous, tall shrub with delicate double pink flowers in mid-May.

Flowering Plum

3 to 4 ft.	3.00	
------------	------	--

RHODOTYPUS**scandens (kerrioides)**

Spreading dwarf shrub. Snowy white flowers in May. Black berries in fall.

Jetbead

18 to 24 in.	1.25	11.00
2 to 3 ft.	1.50	13.50

ROSA**hugonis**

Use as a flowering shrub. Garlands of bright yellow, single flowers in May. Perfectly hardy.

Golden Rose of China

2 to 3 ft.	2.00	18.00
------------	------	-------

multiflora

Vigorous plant suitable for large hedges but not for small properties. Ultimate height 8 feet. Grows in any soil. Minimum order accepted: 100 plants.

Japanese Rose

9 to 18 in.	8.00 per 100	
-------------	--------------	--

Heavier than usual conservation grade.

	Size	Each	Per 10
rugosa		Rugosa Rose	
This stout, prickly shrub comes into its own at the seashore. Large, single, rose-red flowers.	15 to 18 in.	1.25	11.00
	18 to 24 in.	1.50	13.50
rugosa alba		White Rugosa Rose	
Creamy-white flowers in profusion on hardy vigorous plant. For borders and hedges.	15 to 18 in.	1.50	13.50
	18 to 24 in.	1.75	16.00
rugosa, Grootendorst Supreme		Grootendorst Hybrid	
Improved hardy, vigorous variety with cherry red flowers all summer. Outstanding for borders and hedges.	18 to 24 in.	1.75	16.00
rugosa Max Graf		Max Graf Rose	
Most useful of all trailing Roses. It is extremely vigorous, amazingly disease resistant, will stand more shade than other Roses and will thrive in almost any soil. Large, 3 inch. bright pink and gold blossoms.	2 years	1.50	
wichuraiana		Memorial Rose	
Grown on slopes. Wide spreading strong roots prevent erosion. White flowers all summer.	2 years	1.25	11.00

SALIX

purpurea nana		Dwarf Arctic Willow	
Dwarf, rounded shrub for any location. Blue tinge to foliage.	18 to 24 in.	1.25	11.00

SPIRAEA

arguta		Garland Spirea	
One of the earliest to flower, in late April. Slender upright growth producing billows of white flowers.	3 to 4 ft.	1.50	13.50
	4 to 5 ft.	2.00	18.00
bumalda anthony waterer		Anthony Waterer Spirea	
Free flowering, dwarf shrub with crimson flower heads all summer.	15 to 18 in.	1.25	11.00
	18 to 24 in.	1.50	13.50
prunifolia plena		Bridalwreath	
White semi-double flowers in Spring. Glossy dark leaves; rich autumn coloring.	2 to 3 ft.	1.25	11.00
	3 to 4 ft.	1.75	16.00
thunbergi		Thunberg Spirea	
Feathery foliated shrub of dense compact habit whose slender graceful branches are covered with small white flowers in early May.	2 to 3 ft. hvy.	2.00	18.00
	3 to 4 ft. hvy	2.50	22.50
trichocarpa		Korean Spirea	
Late blooming; June and July. White, dome-shaped flower clusters along the many branches.	2 to 3 ft.	1.50	13.50
	3 to 4 ft.	2.00	18.00

	Size	Each	Per 10
vanhouttei		Van Houtte Spirea	
Most generally grown tall kind. Gracefully arching branches laden with clusters of white blossoms.	2 to 3 ft.	1.25	11.00
	3 to 4 ft.	1.75	16.00
	4 to 5 ft.	2.25	20.00
	5 to 6 ft.	3.00	27.00
SYMPHORICARPOS			
albus (racemosus)		Snowberry	
White, waxy berries in autumn on a small shrub. Sun or shade.	3 to 4 ft.	1.50	13.50
chenaulti		Chenault Coralberry	
Pink berries, August and September, very graceful foliage.	2 to 3 ft.	1.25	11.00
	3 to 4 ft.	1.50	13.50
vulgaris		Coralberry	
Lustrous dark red berries on arching branches. Good for slopes in sun or shade.	2 to 3 ft.	1.25	11.00
	3 to 4 ft.	1.50	13.50
SYRINGA			
chinensis (rothomagensis)		Chinese Lilac	
Upright arching shrub to 10 feet. Violet-blue flowers in June. One of the finest.	2 to 3 ft.	1.75	16.00
	3 to 4 ft.	2.50	22.50
	4 to 5 ft.	3.50	33.00
henryi lutece		Hybrid Hungarian Lilac	
Enormous plume-like blossoms of delicate light violet. Attractive dense foliage on a compact plant.	3 to 4 ft.	3.00	27.00
josikaea		Hungarian Lilac	
Valuable for its late June bluish-purple flowers. Tree-like shrub to 12 feet.	2 to 3 ft.	1.50	13.50
microphylla superba		Daphne Lilac	
A jewel of light and dark pink florets with the fragrance of Rose Daphne. Delightfully graceful.	2 to 3 ft.	3.00	27.00
sweginzowi albida		Pink Pearl Lilac	
A hardy shrub producing a profusion of large, fragrant blush-pink flowers in late May.	3 to 4 ft.	3.00	27.00
	4 to 5 ft.	4.00	36.00
villosa		Late Lilac	
Extends the Lilac season to late June. Flowers are light purple in bud, and open to rosy white.	2 to 3 ft.	1.50	13.50
	3 to 4 ft.	2.25	20.00
	4 to 5 ft.	3.50	33.00
vulgaris		Purple Lilac	
Best known of all Lilacs. Large panicles of extremely fragrant purple flowers in May. Beautiful as specimen, informal hedge or large masses.	2 to 3 ft.	2.00	18.00
	3 to 4 ft.	2.50	22.50
vulgaris alba		White Lilac	
The white flowers stand out in combination with darker varieties. Slender and graceful.	2 to 3 ft.	2.00	18.00
	3 to 4 ft.	2.50	22.50

The Fragrant Hybrid Lilacs

The depth and range of colors available in these splendid hybrid Lilacs make them a must in any planting. The huge trusses of flowers are intensely fragrant and the plants are perfectly hardy.

CHARLES X	Single, reddish purple	2 to 3 ft., 3 to 4 ft.,	4 to 5 ft.
HUGO KOSTER	Single, purple, huge flowers		2 to 3 ft.
KATHERINE HAVEMEYER	Double, cobalt lilac and mauve; enormous flowers.		2 to 3 ft.
LUCIE BALTET	Single, coral pink	2 to 3 ft., 3 to 4 ft.	
LUDWIG SPAETH	Single, dark reddish purple		2 to 3 ft.
MARC MICHELI	Double, light blue	3 to 4 ft., 4 to 5 ft.	
MME. ANTOINE BUCHNER	Double, mauve pink		4 to 5 ft.
MME. LEMOINE	Double, white, huge flowers	2 to 3 ft., 3 to 4 ft.	
PHILEMON	Single, Chinese violet	2 to 3 ft., 3 to 4 ft., 4 to 5 ft.	
PRESIDENT GREVY	Double, mauve blue	2 to 3 ft., 3 to 4 ft.	
PRESIDENT LINCOLN	Single, deep Wedge-wood blue	3 to 4 ft., 4 to 5 ft.	

TAMARIX

pentandra Summer Glow

Airy, wine-red flowers open in July and continue all summer. Foliage is a beautiful silvery blue-green. Outstanding for use near the sea-shore.

Size	Each	Per 10
		Tamarisk
2 to 3 ft.	3.00	27.00
3 to 4 ft.	4.00	36.00

VACCINIUM

corymbosum

Valued for its edible fruits and brilliant red autumn foliage.

Highbush Blueberry

2 to 3 ft.	1.50	13.50
3 to 4 ft.	2.25	20.00
4 to 5 ft.	3.50	32.50

VIBURNUM

carlesi

Charming clusters of rosy-white flowers, deliciously fragrant. Low, compact shrub.

Mayflower Viburnum

2 to 3 ft. BB	7.50
3 to 4 ft. BB	10.00

cassinoides

Slender, upright, for tall shrub borders, narrow hedges and waterside planting. Creamy white flowers in June, followed by clusters of dark blue fruit.

Withe-rod

2 to 3 ft.	1.50	13.50
3 to 4 ft.	2.00	18.00

	Size	Each	Per 10
dentatum		Arrow-wood	
Handsome upright shrub. Glossy foliage, white June flowers; blue autumn berries. Sun or shade.	2 to 3 ft.	1.25	11.00
	3 to 4 ft.	1.50	13.50
	4 to 5 ft.	2.00	18.00
	5 to 6 ft.	3.00	27.00
dilatatum		Linden Viburnum	
Decorative and free-flowering, with 6-inch snow-white clusters in May and June.	18 to 24 in.	1.75	16.00
	2 to 3 ft.	2.50	22.50
	3 to 4 ft.	3.50	32.50
lentago		Nannyberry	
Tree-like shrub. Creamy-white fragrant flowers and bluish fruit.	5 to 6 ft.	2.50	22.50
	6 to 8 ft.	4.00	36.00
opulus		European Cranberry Bush	
One of the best tall shrubs for general planting. White flowers in abundance followed by bright red berries which remain till early winter. Seldom attacked by insects.	2 to 3 ft.	1.50	13.50
	3 to 4 ft.	2.00	18.00
	4 to 5 ft.	2.50	22.50
opulus sterile		Common Snowball	
Much admired for the huge, pure white clusters in late May and early June; one of the showiest in flower. For tall specimen or border.	3 to 4 ft.	2.00	18.00
	4 to 5 ft.	3.00	27.00
sieboldii		Siebold Viburnum	
Attractive, clean shrub to 10 feet. Four inch flowers in May and June. Scarlet berries turn blue-black. For the informal shrub border.	18 to 24 in.	2.50	22.50
setigerum		Tea Viburnum	
Outstanding tall shrub with long, dark green leaves, brightened by large white flowers in May and June; and red fruits in autumn. Ideal for shaded gardens and borders.	3 to 4 ft.	4.00	36.00
tomentosum		Doublefile Viburnum	
Most beautiful of the Viburnums. Superb shrub laden in June with dazzling white flowers in radial clusters. Red berries turning blue-black.	18 to 24 in.	1.50	13.50
	2 to 3 ft.	2.50	22.50
	3 to 4 ft.	3.00	27.00
tomentosum plicatum		Japanese Snowball	
Pure white flowers in a ball 4 inches across.	4 to 5 ft.	5.00	45.00
tomentosum rotundifolium		Roundleaf Viburnum	
An earlier flowering form of the Doublefile Viburnum, and thus a most welcome addition to the shrub border. Extremely handsome white flowers.	2 to 3 ft.	2.25	
	3 to 4 ft.	3.00	
trilobum (americanum)		American Cranberrybush	
You will want this shrub in the informal border or naturalistic planting because of its year-round effect; brilliant autumn coloring; berries that persist all winter; white flowers in late May.	3 to 4 ft.	2.00	18.00
	4 to 5 ft.	2.50	22.50

VITEX

macrophylla

Late summer flowers of intense violet-blue.
Fine for cutting. Tall, hardy plant.

Size Each Per 10

Hardy Lilac Chastetree

3 to 4 ft. 2.00 18.00

WEIGELA

Bristol Ruby (Pat. No. 492)

Sparkling ruby-red flowers in immense quantities for most of the season. Round 6 foot shrub.

Hybrid Weigela

3 to 4 ft. 2.50 22.50
4 to 5 ft. 3.00 27.00

candida

Great quantities of snow-white flowers. May and June.

Snow Weigela

3 to 4 ft. 2.00 18.00

florida (rosea)

Large, free-flowering, with bright pink flowers.

Pink Weigela

2 to 3 ft. 1.50 13.50
3 to 4 ft. 2.00 18.00

Vanicekii

Improved variety, overwhelmingly laden with bright crimson flowers all summer and fall.

Cardinal Shrub

3 to 4 ft. 2.50 22.50
4 to 5 ft. 3.00 27.00

wagneri, Eva Rathke

Attractive shrub, covered all summer with dark red flowers with light centers.

Eva Rathke Weigela

3 to 4 ft. 2.50 22.50

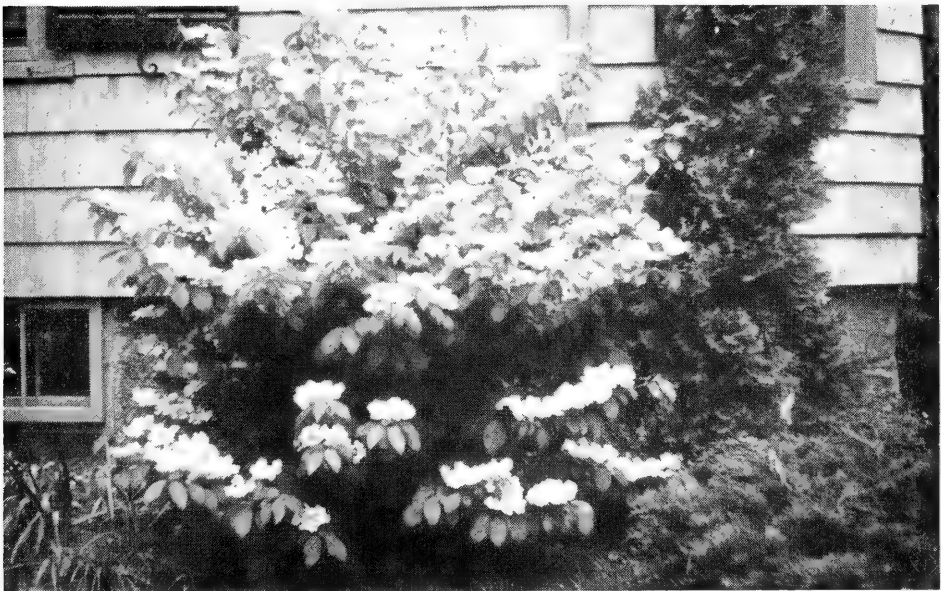

XANTHORHIZA

simplicissima

A most useful, low-growing, spreading plant for growing under evergreens, trees and other spots where grass will not grow. Bears cloudy sprays of plum-colored flowers.

Yellow-root

Field grown 1.00

Doublefile Viburnum

Hybrid Clematis

Hybrid Clematis are among the most beautiful of all flowering plants. The individual flowers are up to 10 inches across and are available in many exotic colors. They are fragrant and will blossom from early summer to autumn. Best results will be obtained if the following points are remembered: They prefer lime in the soil; soil should be light loam, cool and with a supply of moisture; they climb by means of tendrils and should have some support; the varieties listed below should be pruned in early spring if necessary.

Prices of the following hybrid Clematis 2 years, pot grown \$2.00 each.

Jackmani: large velvety purple, all summer.

Mme. Edward Andre: Rich purplish red, mid-summer.

Mme. Le Coultre: white, all summer.

Ramona: Lavender blue with darker center, all summer.

HEDERA**helix**

Vigorous evergreen climber for chimneys or masonry in shady locations.

Size

LONICERA**heckrottii**

Fragrant, flame-red and apricot flowers in immense clusters all summer. Should have support.

Size	Each	Per 10
Summer King Honeysuckle		
3 years	1.50	

henryi

Twining, semi-evergreen vine with yellow and purplish-red flowers all summer.

Henry Honeysuckle		
2 years	1.25	11.00
3 years	1.50	13.50
4 years	2.00	18.00

japonica chinensis

Semi-evergreen ground cover or vine. Bronzy-purple leaves; flowers carmine, fragrant, all summer.

Purple Japanese Honeysuckle		
3 years	1.00	9.00
4 years	1.25	11.00

japonica halliana

Vigorous, rapid-growing ground cover for slopes, poor soils and difficult locations. Prevents soil erosion.

Hall Japanese Honeysuckle		
2 years	.75	6.50

PARTHENOCISSUS (Ampelopsis)**quinquefolia**

Crimson foliage in autumn; small blue berries.

Woodbine		
2 years	1.00	9.00
4 years	1.50	13.50

tricuspidata

Clings firmly to walls, masonry, rocks etc. Rapid grower; stands city conditions. Leaves turn orange and scarlet in autumn.

Boston Ivy		
2 years	.90	8.00
3 years	1.25	11.00

tricuspidata lowi

A finer, more delicate vine with smaller leaves twisted along slender stems. Clings closely to walls, stone posts, bird baths, etc.

Miniature Boston Ivy		
2 years	1.25	

POLYGONUM**auberti**

The best for quick covering. Feathery sprays of white flowers, August to October.

Chinese Fleece Vine		
2 years, heavy	1.50	13.50

WISTARIA**sinensis**

Hanging clusters of purple flowers on sturdy vine.

Chinese Wistaria		
3 years	2.00	18.00
5 years	4.00	36.00

sinensis alba

The white flowering form of the preceding which combines with the purple to create a delightful contrast.

White Chinese Wistaria		
2 years	2.00	18.00

TREE WISTARIA**Each \$12.00**

There is no lovelier sight than a Tree Wistaria in bloom. The pendulous clusters of flowers literally cover the plants. Undoubtedly the most striking specimen plant grown. We offer well developed crowns, 2½ to 3 feet across, on sturdy stems about 4 feet high.

CHINENSIS: profusely-flowering, purplish-blue.

FLORIBUNDA ROSEA: the finest Pink Wistaria; rose pink clusters 15 to 18 inches long.

Perennials

Our Perennial Department is located on Route 139 between North Abington and Rockland.

Our list of Perennials is arranged to assist you in planning your garden. We have indicated for each variety the approximate height and time of bloom, the color, and any special uses to which the plan is adapted.

In the column "Use" the following abbreviations are used: C - Cutflowers; E - Edging plants; G - Ground covers; H - Herbs; R - Rock garden plants; S - Plants that may be used in shade.

All Perennials are \$.70 each, 3 of one kind \$1.80, 10 of one kind for \$5.00, except as otherwise noted. Five or more plants of one kind will be furnished at the 10 rate.

Dwarf Apple Tree

		Each	Per 10
APPLES	2 year	\$1.50	\$13.50
	3 year	2.00	18.00
<p>✓ BALDWIN. Favorite red winter apple; one of the outstanding varieties for eating and cooking.</p>			
<p>✓ CORTLAND. Bright red, like MacIntosh, but preferred by many for its superior storing qualities and spicier taste.</p>			
<p>✓ DELICIOUS. Large conical, striped red and yellow. Keeps well into winter.</p>			
<p>✓ GRAVENSTEIN. A delicious red and yellow striped autumn variety.</p>			
<p>✓ MACINTOSH RED. Long the favorite red autumn apple with crisp flesh and delicious flavor. A best seller for years.</p>			
<p>✓ NORTHERN SPY. Large red and yellow apple excellent for eating and cooking. Will keep into March.</p>			
<p>✓ RED ASTRACHAN. Earliest to ripen, in early August. Bright red, juicy.</p>			
<p>✓ RHODE ISLAND GREENING. Rich tart flavor, tender and juicy. Fine yellow winter apple.</p>			
<p>✓ WEALTHY. Large, excellent quality; ripens ahead of MacIntosh.</p>			
<p>✓ YELLOW DELICIOUS. Golden yellow; probably the finest yellow apple. Bears while young. Will keep into April.</p>			

Add 10% of entire order to help defray packing cost.

DWARF APPLES 2 year 3 to 3½ ft. tall \$3.50 each

Standard size fruit on dwarf trees. The perfect trees for small properties. Will usually bear fruit when younger than standard varieties.

CORTLAND. Juicy, spicy red. Stores well.

DELICIOUS. Red and yellow winter apple for eating and cooking.

YELLOW DELICIOUS. Bears when quite young. Stores all winter for eating or cooking.

CRAB APPLES 4 years \$4.00 each: 5 years \$6.00 each

→ HYSLOP. Dark red or purplish fruits. Ripen in late Sept. and October.

CHERRIES 2 year 5 to 6 ft. \$2.50 each

→ BLACK TARTARIAN. Black, sweet early favorite.

→ MONTMORENCY. Best red sour cherry for pies and preserves.

			Each	Per 10
PLUMS	2 year	5 to 6 ft. tall	\$1.75	\$16.00
	3 year		2.25	20.00

→ ABUNDANCE. Light yellow fruits of excellent flavor.

Red Roses

- Charlotte Armstrong** (Pat. No. 455) \$2.00
Dazzling spectrum-red and cerise flowers, profuse and long-lasting. Buds long, pointed, blood-red.
- Christopher Stone** 1.50
Scarlet red flowers of velvety texture. Vigorous upright grower. Old-fashioned damask fragrance. Highly scented.
- Chrysler Imperial** (Pat. Appd. For) 3.00
The only Hybrid Tea to win the 1953 All-American Rose Award; this rose seems destined to become the most popular red rose. The 4½ to 5 inch, fully double flowers are rich, glowing red, which deepens and becomes more brilliant with the play of light. Ideal for cutting.
- Crimson Glory** (Pat. No. 105) 1.75
Voted the most fragrant rose, this sturdy, disease-resistant plant with large quantities of deep crimson flowers has become a universal favorite.
- Etoile de Holland** 1.50
Lovely pointed buds of glorious deep crimson, opening to glowing red flowers. Intensely fragrant.
- Poinsettia** 1.50
Glowing fiery-red blossoms; long-lasting and ideal for cutting. Slender, pointed buds.
- Red Radiance** 1.50
Intensely fragrant flowers of clean bright red. The blossoms are very large and long-lasting.
- Rubaiyat** (Pat. No. 758) 1.75
Long-lasting fragrant blossoms of rich crimson to red-rose. Long, pointed buds on extra large, tall vigorous plant.

Pink Roses

K. T. Marshall (Pat. No. 607) 1.75

All-America rose of warm, glowing, flesh-pink, long buds; fruity fragrance, and long stems for cutting.

Mary Margaret McBride (Pat. No. 537) 1.75

Another All-America selection. Tall, disease-resistant plant tipped with long, pointed buds opening to large 5 inch salmon-pink flowers.

Mission Bells (Pat. No. 923) 2.25

All-America for 1950. Pointed salmon buds opening to high-centered, fragrant flowers of deep shrimp pink.

Pink Radiance 1.50

Large cameo-pink, intensely fragrant flowers. Blooms all season on a tall, vigorous plant.

Sonata (Pat. No. 732) 1.75

Unusually lovely hues of deep, lively pink; outside of petals being darker than inside. Long, pointed buds and delightful fragrance.

Yellow Roses

Diamond Jubilee (Pat. No. 824) 2.00

The loveliness and perfection of this handsome rose will amaze you. Color is warm, glowing buff-yellow, with touch of orange at base. Slowly-opening, 6 inch flowers last exceptionally well. Soft Old Rose fragrance.

Eclipse (Pat. No. 172) 1.75

Best all-purpose yellow Rose for all climates. Sleek, tapering buds, 2 inches long; followed by large, fully double, buttercup yellow blossoms.

Fred Howard (Pat. No. 1006) 2.50

1952 All-America Rose Selection. A truly amazing rose. Long, rich yellow buds open to huge, 5 inch flowers of golden yellow faintly pencilled with light pink at the edges; produced on long stems, ideal for cutting. Everblooming until frost.

Golden Scepter (Pat. No. 910) 2.00

A sparkling new rose of rich, golden yellow. Acclaimed the best new yellow Rose. The profuse blooms are borne on sturdy, disease-resistant, open plants; and they hold their color exceptionally well.

McGredy's Sunset (Pat. No. 317) 1.75

Best loved of the Irish Roses, with its sweetly fragrant blossoms of rich, deep yellow, lightly tinted with delicate orange and scarlet.

McGredy's Yellow 1.50

Bright buttercup yellow like spots of gay sunshine. Exquisitely formed buds and blossoms.

Mrs. Pierre S. Dupont 1.50

Deep yellow; free-flowering and intensely fragrant. A long-time favorite.

Peace (Pat. No. 591) 2.50

Peace has established itself as today's most popular Hybrid Tea. The buds are golden yellow, opening to luminous canary yellow, pale gold and iridescent cream. Flowers are large and fully double.

Tawny Gold (Pat. No. 950) 2.25

The penetrating fragrance of this rose will fill an entire room with perfume. Long-lasting tawny gold petals, delightfully curled.

White Roses

- K. A. Viktoria** 1.50
Year after year this remains one of the most satisfactory white roses. Pearly color, splendidly formed and exquisitely perfumed blossoms.
- Neige Parfum** 1.75
The most fragrant of roses, with breath-taking aroma of lemon-verbena or hyacinths. Perfect lemon buds unfold to 5 inch pure white blossoms.
- Rex Anderson** (Pat. No. 335) 1.75
Frosty ivory-white, exhibition size blossom of outstanding pure, artistic form and soft fascinating fragrance.
- White Briarcliff** (Pat. No. 108) 1.75
The bride's favorite rose. Color is pure white. The sleek, graceful buds produce a wealth of perfect, double blossoms throughout the season.

Multi-Colored Roses

- Condesa de Sastago** 1.50
Strikingly effective two-toned roses with extremely large, double flowers. Oriental red inside and rich gold on the outside of petals.
- Countess Vandal** 1.50
Acclaimed the most artistic of all roses. Lovely curved petals of copper-bronze and pink flooded with russet gold.
- Enchantment** (Pat. No. 317) 2.00
Widely loved because of the size and color of its blossoms. Large, stately apricot buds open to huge 6 inch flowers of delicate yet deep peach-pink, suffused with pale gold. Delighfully pervading scent.
- President Herbert Hoover** 1.50
A fascinating blend of many colors, including dark pink and rose, orange, red and shadings of salmon-apricot.
- Saturnia** (Pat. No. 349) 1.75
The warm glow of this rose is difficult to describe; cardinal red inside with salmon-yellow intermingling with copper on outside of petals. Richly fragrant.
- Serenade** (Pat. No. 852) 2.00
New exquisite coral-orange blossoms all summer long; long-lasting; and holding their gorgeous colors exceptionally well. Large buds are a deep burnt-orange.
- Sunset Glory** (Pat. No. 738) 1.75
All the warmth and color of an autumn sunset, with rich tones of yellow, pink and bronze. Buds are golden yellow and soft pink.
- Talisman** 1.50
Unsurpassed for its wide range of vivid coloring; from scarlet and gold to rose and yellow. Glossy vigorous foliage.

Hybrid Perpetual Rose

- Frau Karl Drushki** 1.50
Possibly the world's best white rose. Sometimes called "Snow Queen" because of the purity of its blossoms, which are large and fully double. Flowers again in late summer.

Floribunda and Polyantha Roses

- Betty Prior** (Pat. No. 340) 1.50
Excellent for masses of color. Gay carmine-pink blossoms are produced all summer long. Tall, bushy growth.
- Chatter** (Pat. No. 739) 1.50
Bright clusters of velvety crimson flowers on low, compact plants. Unequalled for bedding purposes.
- Cheer** 1.50
Deep rose variation of World's Fair. Huge semi-double flowers in clusters of 5 to 11. Largest flowers of all.
- Else Poulsen** 1.50
Large, semi-double flowers of bright rose-pink.
- Fashion** (Pat. No. 789) 2.00
Acclaimed the best of the new Floribundas. Gay, eye-catching color, enormous clusters of continuous blooms and enchanting, delicate fragrance. The double flowers are 3½ inches across, of a luminous coral suffused with gold.
- Garnette** (Pat. applied for) 1.75
Deep sparkling red with depths of glowing scarlet in large clusters all season. Sturdy and disease-resistant. Perfect for cut flowers, too.
- Geranium Red** (Pat. No. 811) 1.50
Resembles vivid red geraniums even to its spicy fragrance. Individual flowers are up to 4 inches across in long-lasting clusters.
- Goldilocks** (Pat. No. 672) 1.50
The long-awaited true yellow Floribunda. Double golden yellow masses of sunshine, deliciously fragrant and colorful.
- Ma Perkins** (Pat. Applied for) 2.25
1953 All-America Winner, introducing a new color: a sparkling coral-pink fortified by shadings of red and yellow at the base. So easy to grow; so disease-resistant; so fragrant; so glamorous that you will certainly want a group of them in your garden.
- Marionette** (Pat. No. 569) 1.50
Rich, creamy white which does not fade in full sun. Unbelievably large clusters are produced all summer. The finest white for bedding purposes.
- Permanent Wave** (Pat. No. 207) 1.50
Semi-double flowers of beautiful two-toned red. The petals are frilled and wavy, creating interest all season.
- Pink Bountiful** (Pat. No. 601) 1.50
Large, perfectly-formed flowers of deep pink with a heart of buff and salmon. The blossoms are fully double, in large clusters.
- Pinocchio** (Pat. No. 484) 1.50
This has become the favorite of gardeners. Extremely hardy and easy to grow. Blossoms are like miniature Hybrid Teas, of a bright clear pink, tinted with gold.
- Poulsen's Bedder** 1.75
The best pink for large masses of color; perfect for bedding purposes. Flowers are large, lightly ruffled, of a clear, rich pink. Blooms all summer.
- Red Pinocchio** (Pat. No. 812) 1.50
The individual flowers are 3½ inches across, delightfully fragrant, and exceptionally free-flowering. Gorgeous, velvety carmine which will not fade.

Floribunda and Polyantha Roses (Continued)

- Summer Snow** (Pat. No. 416) 1.50
One of the most dependable whites, especially for masses of glistening, snowy flowers, 15 or more blossoms to each cluster.
- Vogue** (Pat. No. 926) 2.25
Winner of 5 awards for outstanding merit. Glowing cherry-coral blossoms resembling large 4 inch Hybrid Tea roses. Delicious fragrance of delicate Carnation.
- World's Fair** (Pat. No. 362) 1.50
Definitely one of the best of all Floribundas. The dark velvety crimson flowers are of immense size and amazing depth. The sturdy upright plants are literally covered by huge clusters all summer.
- Yellow Pinocchio** (Pat. No. 992) 1.50
Another thrilling Pinocchio introduction in apricot-yellow. The flowers are double, long-lasting and are borne in profusion throughout the season.

Climbing Roses

- American Pillar** 1.50
Lusty climber with clusters of single, sparkling pink flowers. Especially good at the seashore.
- Blaze** 1.50
The world's most popular red climber. Brilliant, scarlet, fully double flowers of the "everblooming" variety will make a magnificent display all summer.
- Dorothy Perkins** 1.50
The best climber for difficult conditions, such as slopes, at the seashore, hot and dry locations, etc. Double, clear pink blossoms.
- Dr. J. H. Nicolas** (Pat. No. 475) 2.00
Truly an everblooming rose. New flowers appear continually throughout the season. The blossoms are fully double 5 to 6 inches across, deep rose-pink of lasting, penetrating fragrance. A very choice climber.
- Mary Wallace** 1.50
The blossoms are large, Hybrid-Tea type, suitable for cutting. Colors are brilliant pink with faint yellow undertones. Extremely hardy and vigorous.
- New Dawn** 1.50
The original everblooming climber, bearing multitudes of apple-blossom pink flowers from early June until frost. The double flowers have a delicate fragrance and are borne on long stems suitable for cutting.
- Paul's Scarlet Climber** 1.50
Long the favorite scarlet climbing rose. The huge clusters of brilliant red flowers are borne in great profusion on sturdy, vigorous canes. The foliage is especially luxuriant.
- Silver Moon** 1.50
The most widely grown white climbing rose because of its extremely vigorous growth, adaptability to soil and location, as well as faithfulness in flowering. Blossoms are larger than most, of a glistening pure white with golden yellow stamens. Also good at the seashore.
- White Dawn** 2.00
At last, an everblooming white climber with large Hybrid Tea flowers of pure snowy-white. The extremely fragrant, fully double flowers are produced from late spring to frost.

Flowering Bulbs

Available in Fall, 1953

As has been our practice in the past, we shall carry an assortment of the finest proven varieties of Spring-flowering bulbs. These bulbs will be available in late August, in ample time for proper planting.

Peat Moss

Makes

Better

Plants

Peat moss is one of the finest of soil conditioners. It will absorb as much as 20 times its own weight in moisture, and retain this moisture in available form for thirsty plant roots.

Peat will help to lighten a heavy soil and will also add humus to light sandy soil. Use it in a mixture of $\frac{1}{3}$ peat to $\frac{2}{3}$ loam when filling around plants.

When used as a mulch, especially around evergreens and azaleas, it keeps the soil cool around the roots and reduces weed growth.

Available in: *Large bales* *Handy bales*

Fertilizers

AGRICO, the nation's leading fertilizer, is produced in 5 special-purpose, complete plant foods. Therefore, you can select the one most suited to your plant requirements. Clean, odorless, safe and easy to use.

Available in 100, 50, 25, 10 and 5 lb. bags at Nursery-land

Shipping Directions

Customers are requested to state explicitly the method by which they wish stock forwarded. When no route or method is designated we exercise our best judgment. Shipments may be made by express, freight or parcel post. Truck deliveries can readily be arranged. Prices, however, are at North Abington, Massachusetts. Transportation and delivery are additional with these exceptions — we will deliver without charge any of the Roses listed on pages 48 to 52, perennials, and herbs when remittance accompanies order.

Important

When orders are shipped by means other than our own carriers add 10% of the order to help defray the cost of crating and packing.

Conditions of Sale

The articles herein listed will be furnished in accordance with the following schedule:

1 to 4 plants of one kind and size will be priced at the each rate, when an each rate is given.

5 to 24 plants of one kind and size will be priced at the ten rate, when a ten rate is given.

25 or more plants of one kind and size will be furnished at the hundred rate, when a hundred rate is given.

Specimen plants, selected by the customer or by his representative, will be priced according to their individual values.

With few exceptions the plant names used conform to "Standardized Plant Names."

Guarantee

We guarantee our plants to be healthy and free from injurious insects, to be dug carefully and packed properly for safe shipment. If damaged in transit, a claim should be made upon receipt, notifying carrier and us of the circumstances. If plants prove to be other than true to name, we will supply new ones at the first proper planting season following such claim, but in no case do we assume liability for more than the original purchase price. You can guarantee their success by giving them proper care.

Terms

Our terms are cash. Charge accounts, for 30-day credit, may be opened upon receipt of satisfactory credit references, allowing us time for investigation. All accounts unpaid after due date will be subject to sight draft without further notice. C.O.D. express shipment will be made (with collection charges added to the bill) only when order is accompanied by a deposit of at least 25 per cent of the amount of the bill.

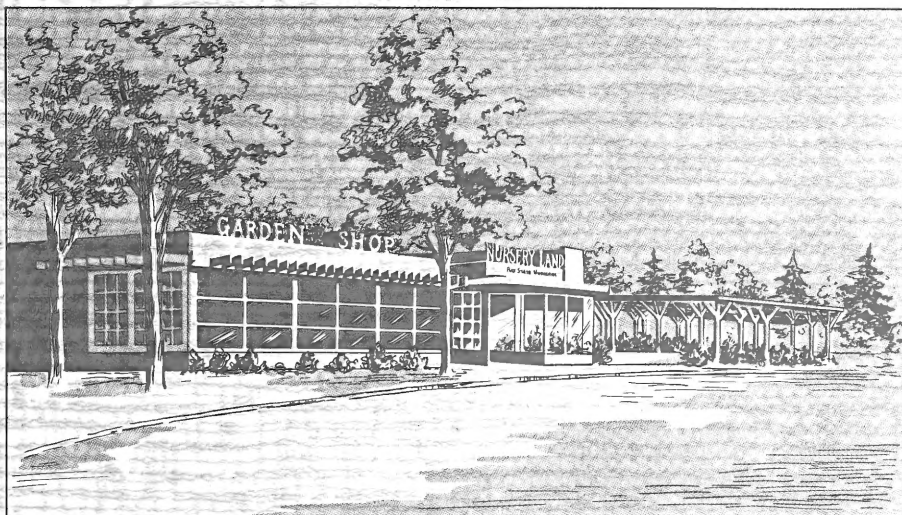

Prices are subject to change without notice
